

Thylacine  
Louise McNaught

£2,000

REF: 2080

Height: 80 cm (31.5")

Width: 70 cm (27.6")

## Description

Original

Acrylic & Spray Paint on Canvas

This piece is of the extinct Tasmanian Tiger (which is technically a marsupial) that became extinct in the 1930s. A beautiful feature native to Tasmania in Australia, it's depicted as glitching in this piece as although it has even declared to be extinct there have been sightings ever since....
