Description

Original. White Gallery wood frame with VUE70 Anti reflective glass.

Hand painted with acrylics and inks on 36 genuine iconic stamps, with hand cast hand painted frames.

This Royal Spectacle explores the subversive entertainment factor of 36 key British Monarchs from Henry IV in 1399 through to QE2. Each Monarch is portrayed with face paint based upon 36 real life clowns. The collection is sold with info COA cards so that the collector can learn about each piece and the actual clown design each King and Queen wears in order to open a dialogue with their friends and family.

Each stamp comes with a story COA, a suggestion to explore over time, never a conclusion but purely a hint as to the possible hidden messages within.

Signed by the Artist.
