

The Guardian - Framed

Danic Lago

£1,800

REF: 3794

Height: 64 cm (25.2")

Width: 54 cm (21.3")

Depth: 4 cm (1.6")

Description

Original

Mixed Media.

'La Madre Selva' or Mother Forest is a nurturing figure providing life to all those who reside within her but she also seeks respect and harmony, holding immense power. In Latin American indigenous culture, the rainforest is not seen as a physical environment but a sacred realm where spirits and deities reside, and must be preserved and respected. 'La Madre Selva' is not your typical deity or goddess, she is a personification of natural life itself and all the abundance it brings.
