Description

Original. Black wood frame.

Handpainted with acrylics and inks on 36 genuine iconic stamps.

This Royal collection was designed to be subtle, only when close are the gags apparent. So if your Royal auntie pops round for T, keep her a meter away! Should the Royals have a voice? Gaging orders? Also note that each Gag is a 'dot and a unique colour, a side comment on Damien Hirst's Spot paintings, a more playful version?

Signed by the Artist.
