Description

Magnus Gjoen's latest skate deck release, aptly named 'And Death Shall Have No Dominion,' is a captivating fusion of life and death rendered in exquisite detail. The deck showcases a stunning floral skull, where delicate blossoms intertwine with the stark anatomy, creating a mesmerizing contrast between beauty and mortality. The flowers, intricately designed, cascade both upwards and downwards on the skateboard, symbolizing the cyclical nature of life and death. Gjoen's masterful blend of the macabre and the botanical not only transforms the skate deck into a unique canvas but also invites contemplation on the interconnectedness of existence and the enduring power of nature. 'Death Shall Have No Dominion' is not just a skateboard; it is a visual narrative that challenges perceptions and celebrates the inherent harmony between life's fragility and its everlasting resilience.
